Aditya Anand

Junior Undergraduate Department of Mechanical Engineering • : adityaanand28.github.io

≤ : anaditya20@iitk.ac.in

J: +91-8228855866

Academic Qualifications

Year	Degree/Certificate	Institute	CPI /%
2020 - Present	B.Tech	Indian Institute of Technology Kanpur	7.72/10
2020	CBSE(XII)	The Pentecostal Assembly School, Bokaro	96.2%
2018	CBSE(X)	The Pentecostal Assembly School, Bokaro	92.2%

Scholastic Achievements

- Participated in Inter-IIT Tech Meet 10.0 conducted by IIT Kharagpur, in the event 'Mudrex's Alpha Trading Quest' [2022]
- Secured All India Rank 2430 in Joint Entrance Examination-Advanced among the 2.5 Lakh eligible candidates [2020]
- Secured All India Rank 2828 in Joint Entrance Examination-Main among the 12 Lakh registered candidates [2020]
- Won Silver Award (Senior Category) in The Royal Commonwealth Society's Commonwealth Essay Competition [2017]

Key Projects

- Predicting Stock Returns using CAPM & Fama French | Finance and Analytics Club 🖓 (May'22-Jul'22)
- Implemented the CAPM model using Python and its libraries and estimated the price of stocks with an accuracy of 92%
- Analysed and compared various models based on their underlying factors, i.e., technical, fundamental, or macroeconomic
- Quantified risk & rewards by plotting Efficient Frontier Graph to obtain optimal ratio for a portfolio with max. Sharpe ratio
- Option and Strategies to Hedge a corpus | Finance and Analytics Club, IIT Kanpur (May'22-Jul'22)
- Familiarised with stock terminologies, derivatives, hedging, Put-Call Parity, option strategies and the Black-Scholes model
- Utilised strategies like Short Call Butterfly and Call Ratio Back Spread to minimise the positional Delta as close to 0
- Backtested the strategy on 'Opstra' for NIFTY50 and achieved a profit probability of 83% and max. profit of 35% • Solving Multi Item Capacitated Lot Sizing Problem | SURGE 2022 🖓 (May'22-Jul'22)
- Mentor: Prof. R. Raghavendra Kumar Sharma | Department of Industrial and Management Engineering
- Minimised the cost in Supply Chain Management of goods from set-up to inventory carrying charge to meet daily demand - Formulated an algorithm based on day-wise set-up and inventory cost to meet demand by **optimising total cost** incurred
- Automated Crypto Trading Bot | Mudrex's Alpha Trading Quest, Inter-IIT Tech Meet 10.0 (Mar'22)- Implemented strategies based on combinations of technical indicators to maximise performance score on 'Mudrex' platform - Tested the strategy for cryptocurrencies and achieved a $3 \times$ annualised return over market value and Sharpe Ratio of 2.5
- Seize the Market | IIT Kanpur Consulting Group, IIT Kanpur (May'22-Jul'22)
 - Assisted Stanford seed spark program inducted legal-tech startup RTIwala to create a Go to Market strategy for its product - Identified and analysed the most desired zones in India for project launch, its value propositions and market sentiments
 - Market strategy roadmap created, would be time phased pilot tested in Gadchiroli, Maharashtra before its expansion
- Implementing Pairs Trading Strategy | Finance and Analytics Club, IIT Kanpur 🖓 (Dec'21-Jan'22)
- Designed a data-driven quantitative Trading Strategy using Python libraries observing 6 years data sample of Indian stocks - Effected **Cointegration** approach: Identified pair of stocks for which Linear Combination results in **Stationary** Time series
- Estimated hedge ratio using Linear Regression, normalized the spread using rolling window: Took market-neutral position

Technical Skills

- **Programming Languages:** C++, Python, MATLAB • Web Development: HTML, CSS, JS, Node.js, MongoDB
- Software and Libraries: Git, LATEX, Autodesk Fusion 360, Gazebo, Numpy, Pandas, SciPy, Matplotlib

Positions of Responsibility

• Coordinator | Finance and Analytics Club, IIT Kanpur

(Apr'22-Present)

- Mentored 2 Summer Projects with 100+ mentees and organised competition, 'Guess-it-Mate' with 250+ participants - Managed a budget of INR 60,000+, negotiated deal with 'PrepLeaf' and oversaw the social presence with 3K+ members
- Led a team of 30 to ensure smooth conduction of activities of the club and hosted flagship event- 'Non-Core Weekend'
- Organiser, Finance | Udghosh, IIT Kanpur
 - (Jul'22-Present) - Responsible for planning and maintaining all Financial and Logistical aspects involved in the festival in a 3-tier team
 - Coordinate with other verticals to carry out the financial operations, in a group of head, 6 organisers and 9 senior executives
 - Academic Mentor, Fundamentals of Computing | Counselling Service, IIT Kanpur (Oct'21-Jul'22)
 - Conducted institute-level remedial classes attended by 250+ first-year students by solving their doubts related to coursework - Worked in a group of 20+ academic mentors and heads to prepare material and notes of the subject and provide guidance
 - Senior Executive, Web and App | Techkriti, IIT Kanpur (Jul'21-Mar'22)Customised the website of Techkriti Open School Championship'21 and incorporated design modifications to its site
 - Revamped the code, and changes in frontend and backend were pushed to GitHub repository for final review and publishing
